Monroe County Business Associate:

Family Counseling and Shelter Services of Monroe County is a non-profit organization that has been serving the county since 1966. We greatly appreciate the support that we have received from local businesses throughout the years that has made it possible for us to continue helping those in need in our community. Over the past year we provided 3,802 shelter nights to 97 women and children in danger of domestic violence at our emergency shelter, answered 603 crisis hotline calls, provided over 12,720 units of individual (1 unit= 50 minutes) or group counseling (1 unit= 90 minutes), and 2,318 units of advocacy and support services (1 unit= 15 minutes contact time). The services provided to domestic and sexual violence victims are at no cost and general counseling for as little as \$20.00 per session, if we do not take their insurance.

On **Saturday, March 21, 2026**, Family Counseling and Shelter Services will be holding our **3rd Annual Casino Night** to raise much-needed funds so we can continue to provide services to our Monroe County residents. To help make our event a success, we are asking local businesses to sponsor our event and/or donate goods or services to be included in our silent auction. Your generous donation would go a long way in helping Family Counseling and Shelter Services in our mission to provide programs and services essential to the emotional well-being, self-esteem, and development of our children and strengthen and help preserve families in Monroe County.
